

EarthClean Named Winner of 2010 Minnesota Cup

The Minnesota Cup is an annual, statewide entrepreneurial contest that seeks, supports and promotes Minnesota's newest and most innovative business concepts. The 2010 competition had more than 1,000 participants. According to the Minnesota Cup co-chairman, "The review board and contest organizers continue to be impressed by the innovative ideas generated by the Minnesota Cup. We are excited to honor EarthClean Corporation as the 2010 grand prize winner, and look forward to their continued success."

2010 award finalist

EarthClean Named 2010 Tekne Cleantech Finalist

The Minnesota High Tech Association (MHTA) named EarthClean Corporation as a finalist in the Cleantech category for the 2010 Tekne Awards. Presented by the MHTA in partnership with the BioBusiness Alliance of Minnesota, LifeScience Alley, Enterprise Minnesota, the Tekne Awards annually recognize Minnesota's best and brightest technology users and developers in innovation, development, education, commercialization and management. The Cleantech Award recognizes businesses that manufacture environmentally sound products or solutions that reduce costs, inputs, energy consumption, waste or pollution.

EarthClean Named 2010 Cleantech Open North Central Region Winner

Earthclean Corporation has been named North Central Region inaugural winner in the 2010 Cleantech Open—and placed 3rd nationally in this prestigious competition. The mission of the Cleantech Open is to find, fund, and foster the big ideas that address today's most urgent energy, environmental, and economic challenges. The Cleantech Open has established itself as the leader in developing clean technology startup entrepreneurs addressing these challenges.
